

## **Policies for Guardians Duties and Responsibilities**

### **Drop-off Duties**

Toddlers +

- Ensure snack items are placed in bin labeled for child
- Diapers and other lovies to also be placed in bin

Infants

- Using our system, indicate when feedings/naps should occur
- Ensure snack items are placed in bin labeled for child
- Diapers and other lovies to also be placed in bin

### **Communication Duties**

As part of the beauty of working in the Blush space, you have the ability to be part of your children's daily lives. Visits to see your children are supported and welcomed!

In an effort to create a successful environment for your children in the Hopscotch Playspace, we ask that you notify Hopscotch Staff through the Blush X Hopscotch text communication channel (919-413-5743) ~5-10 minutes prior to your drop-in to see your child. We ask that you place the indicator of your arrival in the childcare space window. This will assist staff in continuing the flow of the childcare space while preparing to bring your child to meet you at the door.
